An alarm was sent to the fire department, but when the fire-fighters arrived on the scene they found that the householder had extinguished the flames with a bucket of water.

**W. S. Basinger** of Denver, general passenger agent, and W. K. Cundiff of Denver, assistant general passenger agent, of the Union Pacific railroad, arrived in Ogden yesterday afternoon for a visit with local Union Pacific traffic officials and other acquaintances. They remained over until 1:30 p. m. today and then went to Salt Lake City.

**Forty passengers** on O. L. & I. train No. 2 southbound, at 8:50 o'clock this morning received a severe shock and jolting, but escaped serious injury, thanks to the steel coach, when the car struck hard-packed snow on the track at Ukou, 41 miles north of Ogden, turned to one side and turned over. All injuries were minor. No one was sent to the hospital. Everyone was thankful for the lucky escape.

The passengers included ten members of "The Winning of Barbara Worth" troupe, on their way to play at Brigham City tonight. The show baggage was in a trailer, which was partly derailed.

No. 1, which left Ogden about 6 a. m., and was on the sidetrack at Ukou, waiting for No. 2, was instructed to bring the passengers to Ogden, and they arrived at 11 o'clock, excepting

## NEW PROHIBITION BILL TO BE INTRODUCED BY BOYDEN OF SUMMIT COUNTY

State House, Salt Lake, Jan. 16.—The prohibition bill is to undergo a number of changes in committee. Two important amendments were decided on today. In the original measure, judges of the district court were granted authority to issue permits for the purchase and sale of alcohol and liquor for mechanical and scientific purposes. Believing that many judges having large districts could not have sufficient knowledge of the character and calling of applicants in all parts of their territory, it would be closing a loophole if the power were given to justices of the peace.

Section 19 of the bill is eliminated, providing for search and seizure by any peace officer, without warrant, when any place, not a private residence, is thought to contain intoxicating liquor. This section may be unconstitutional. As a substitute, section 24 of the bill presented by the Betterment League, is appropriated. It provides that any peace officer suspecting liquor on a person or in a vehicle may make a search, and if a container is discovered, may open and examine the contents and, if found to be liquor, the same will be prima facie

evidence of the illegal possession of strong drink, and the offender can be arrested without warrant. This is intended to guard against bootlegging.

In the handling of wines for sacramental purposes, the privilege is confined to wholesale drug houses, and taken out of the hands of retailers who do not desire the trade. Wines can only be sold in original packages. The bill will not be reported back until the first of next week.

**New Prohibition Bill.**

It became known today that a new and independent prohibition bill is to be introduced by J. L. Boyden of Summit county, chairman of the legislative reference committee. The measure will eliminate the commissioner, and will place responsibility for enforcing the law with the regular peace officers of the state. It will also eliminate the right to enter private property for search and seizure.

The measure is said to be as stringent as the first bill, but is being closely scrutinized for a nigger in the wood-pile.

The state prison committee is inspecting the prison today, and the members are to be guests of the warden at dinner.

this party, Andrew Gregory, forfeited \$5 bail this morning.

There were two other cases before the court today, however. J. Adelson, an employee of the Siner Second Hand store on lower Twenty-fifth street, was haled before Judge Barker for driving across a fire hose yesterday morning, after being warned against such an act. The offense was committed while the fire department was working to extinguish a conflagration in the Helena hotel building. Adelson expressed regret for his act, and after giving him a lecture on the damage for which it might have been responsible, the judge suspended sentence.

The case of the city vs. E. R. Dumke was dismissed on motion of the prosecuting attorney. The defendant was charged with an offense against the city traffic ordinance.

**Real Estate Transfers**

Viggo T. Hestmark to Alfred T. Hestmark, part NE 1-4, Sec. 5, T. 5 N., R. 2 W.; \$3000.

H. C. Peterson, sheriff, to R. D. Pincock (certificate of sale), part NE 1-4, Sec. 25, T. 7 N., R. 2 W.; \$2,222.27.

Joseph H. Myers and wife to Mrs. E. M. Roberts, part SE 1-4, Sec. 17, T. 6 N., R. 1 W.; \$450.

**BAMBERGER TRAINS HELD BY SNOW IN DEEP CUTS**

Traffic was suspended on the Bamberger electric railroad until late this afternoon by heavy snow-drifts in the cuts south of Kayville, where No. 1, due here at 7:15 a. m., was halted. South-bound trains were held at Ogden, awaiting the removal of the obstruction.

The company called upon the O. L. & I. for its super-snowplow, but it was in constant use, keeping the line open between Ogden and Willard and Ogden and North Ogden, where the snow is drifting heavily before the arctic gale.

The ten or twelve newsboys, who rise with the lark and meet No. 1 every morning at 7:15 to receive and distribute the Salt Lake morning papers, were disappointed today and had to omit their deliveries. "Ain't it a shame," one of the boys exclaimed, "to have to crawl out of a war bed before the chickens wake up and come away down here to find the train hasn't left Salt Lake. This certainly isn't a job for a Sunday-school boy. To prove it and give away to his exuberant animal energy, he pounced upon the nearest boy and they demonstrated as young Visser and young Lewis.

The whereabouts of the train was a mystery to the local railroad officials. For awhile they said the train was coming along; then they told the passengers it was probably stalled somewhere in the drifting snow, and finally came the announcement that it hadn't left Salt Lake and there wouldn't be any train, either from Salt Lake or Ogden, before 3 o'clock this afternoon.

**SUNSHINE LEASE CO. SHIPS FIRST CAR OF LEAD ORE**

George Gwilliam, in charge of the Sunshine Lease and Development company's property, near Saline, today reported the shipment of the first car of ore, which is expected to yield eight to sixty percent lead and considerable values in gold and silver.

Mr. Gwilliam believes further work will develop large ore bodies. He already has uncovered at 1-1/2 foot ore shoot, 7 feet wide. The shaft is down 25 feet, with a fifty-foot drift.

**OFFENSE OF DRIVING ACROSS FIRE HOSE**

The cold wave, police vigilance, a moral awakening or something else has cut down the work in the criminal division of the municipal court to a most encouraging point of late. In other words the criminal element has departed the city or temporarily reformed.

Only one alleged drunk disturbed the placidity of the desk sergeant at the city jail yesterday afternoon and

the theatre players, who were taken to Brigham City.

A wrecker was sent immediately to the scene. The track is expected to be cleared and traffic resumed between 3 and 4 o'clock.

The hard-packed snow operated like a derailing switch.

The motorman was handling his car with caution and good judgment, it is said, and is not blamable for the accident.

**COURT HOUSE IN NEED OF RENOVATION AND REPAIR**

County officials and persons who necessarily must visit the dilapidated old court house have composed a song of several verses to the tune, "London Bridge is Falling Down."

To make the ancient ruin as habitable as possible, the county commissioners today authorized Hagbert Anderson, the new custodian, to engage two carpenters to reinforce some of the floors and walls, and to fix the leaks in the heating pipes, and put in a hot water supply. The boiler room is in a deplorable condition and the utmost efforts will probably fail to make it serve long the imperative needs.

After the furnace is repaired, Mr. Anderson will tackle the big job of giving the ancient ruin a thorough renovation and cleaning. New paper will be put on some of the walls and paint will be applied in places to hide as many defects as possible.

The old building is a patchwork from the roof to the dungeons.

**MRS. A. J. HEATH DIES IN ARIZONA**

Word was received at noon today by Mrs. F. L. Bradley that her mother, Mrs. A. J. Heath, had died at Crown King, Ariz., and the body would leave Prescott late this evening and arrive in Ogden on Friday.

Just prior to receiving the telegram conveying the shocking news, Mrs. Bradley had read a letter saying her mother was improving, and she was preparing to leave for Arizona next Tuesday to join her folks.

In this case the usual complaints are reversed. Iverson accuses his wife of cruel and inhuman treatment. While living with her at Chicago, he declares, she leveled a revolver at him and threatened to kill him; furthermore, he swears, she attacked and humiliated him on the street, tore his clothing, scratched his face, called him vile names, quarreled with him, hit him fiercely with her hands, and, to cap the climax of his woes, she swears, she entertained strange men.

The defendant's story cannot be obtained, as she still resides at Chicago.

It has been figured out that a saleswoman in a department store walks ten miles each day.

New York city electrical workers' union has raised wages 50 cents a day for all members.

## CHILDREN FROZEN ON WAY TO SCHOOL IN SALT LAKE

Salt Lake City, Utah, Jan. 16.—The environs of Salt Lake are in the grip today of one of the worst blizzards in the city's history. A high wind, ice cold, is sweeping down from the canyons bringing soot weather to the outlying districts, although Salt Lake proper has temperatures of about ten above and little wind.

Children going to the high school lying in the blizzard-swept area were caught in the storm and the school was turned into an emergency hospital, there being eighty cases of frozen ears and eight children so badly frozed on they had to be taken to hospitals.

No snow accompanied the wind, but it drifted what lay on the ground and all interurban and street car traffic is tied up both in the city and between here and Ogden.

The First ward W. C. T. U. will hold its regular meeting on Wednesday at 2:30 p. m. at the home of Mrs. Geo. Miller, 221 Twenty-eighth street.

**FEDERATED W. C. T. U.**

The Federated Woman Christian Temperance Union will observe the annual day of prayer for national constitutional prohibition with an all-day meeting at the Baptist church on Friday, January 19th. The forenoon session will begin promptly at 10 o'clock. The afternoon session will begin at 2 o'clock. Everyone interested in national prohibition is invited.

**MEETING POSTPONED.**

The Child Culture club meeting to have been held at the home of Mrs. David Eccles, 2580 Jefferson avenue, January 18, has been postponed until January 26. The affair will be the club's celebration of its twentieth anniversary.

**MEET NEXT WEEK.**

The Past Noble Grand club will meet with Mrs. E. Monahan, 2826 Grant avenue, January 25th.

**Deaths and Funerals**

**SHARP.**—The funeral of Frank Sharp, infant son of Mr. and Mrs. Delwin Sharp, was held yesterday afternoon at the family residence, in Plain City, with Elder J. L. Robson presiding. Special music was furnished by the Misses Maud England and Ivy Maw, who sang "You're Sweet Little Rosebud Has Left You" and "Sometime, Somewhere." The speakers were George Palmer, Henry G. Maw and J. L. Robson. Interment was in the Plain City cemetery.

**ORTH.**—Funeral services for Mrs. Sarah Schow Orth will be held in Huntsville, Friday, at 1 p. m., Joseph Peterson officiating. The body will be taken to the valley city today at 4:30 p. m. A special car will leave Ogden at 11:25 Friday evening over the O. L. & I. and will wait at Huntsville until after the funeral services. Flowers may be left at Lindquist's chapel until 11 o'clock Friday morning.

**BLUE.**—Florence Blue, wife of the late Thomas Blue, died at the residence, 186 West Twenty-eighth street, today at 12:30 p. m., after a lingering

## Say Goodbye Wrinkles! Bad Complexions you must go!

**NOUVELLE BEAUTE POUR TOUTES LES DAMES**

Remarkable discovery of skin osmosis promises to make wrinkled, hollow-cheeked, aged looking women astonishingly beautiful, youthful and charming.

**FRANCE'S GREAT PRIZE BEAUTY TELL.**

How you can almost immediately suppress the appearance of smaller wrinkles and marks of age and make yourself look from 5 to 15 years younger in 30 days' time. How to banish every complexion blemish in three nights in many instances.

A thousand times I have heard rich women say: "Oh! youth is so wonderful and lovely. I would give everything I possess for youth and beauty again!" No woman with the slightest spark of pride or ambition in her wants to be laid on the shelf, aged, careworn, wrinkled and forgotten so that men wish to avoid her at every dance and dinner party, and women themselves would like to invite someone who looks younger to brighten up the occasion. Yet there is no longer any reason why the average woman need look so old and plain even if she is old.

Since the remarkable discovery of skin osmosis almost any woman can obtain most astonishing new beauty and a most surprisingly youthful appearance even though she is 40 or 50 or more years of age. The Countess de Chevalonne who at 70 years of age possesses a marvelously soft, smooth, velvet-like skin and an almost girlish complexion without a wrinkle in sight, told the writer personally in Paris that she owed it all to the discovery of skin osmosis. With this marvelous discovery every complexion blemish can be banished in three nights in many instances, and you can awaken in the morning with a beautiful, rose-colored complexion fresh as a daisy.

I have known dozens of hollow-cheeked, wrinkled, aged-looking women, who had given up all hope of ever looking beautiful and youthful again, to "come back" and again become most beautiful, youthful and fascinating in from two to three weeks' time by this wonderful, simple method.

No matter what your age or what you have tried unsuccessfully, skin osmosis will positively bring you new beauty and youth. Merely wash your face in warm water at night and rub in a teaspoonful or two of any good soaped cream which you can obtain

from your druggist. In the morning wash the face with cold water and rub in more cream.

In three weeks or less watch the magic transformation. See how the old, hardened coarse, rough skin turns into new, fresh, soft, youthful-looking skin almost before your very eyes, all due to simple skin osmosis produced solely by warm water and soaped cream. But be sure to use only pure soaped cream, as it is an entirely different thing from ordinary face creams and must not be confounded with them. I personally prefer Creme Tokalon (Roseated) but any good brand will do. If you have wrinkles get a box of Japanese Ice Pencils and use them in connection with the cream and you can get quick action on the deepest wrinkles, no matter how long standing, in one night's time and awaken on the morrow to witness most astonishing results. Also the use of a little Santonex (sold by druggists) on the face each morning will almost immediately suppress the appearance of all smaller wrinkles and marks of age and make you look almost years younger. It gives an indescribably beautiful effect to the neck and arms for evening dress.

I personally guarantee success in every case, in any of my newspaper articles relating to beauty, or I will refund the amount paid for any product I recommend provided you take your dealer's receipt at the time you make your purchase. My American address is Simone Marex, 20 West 22nd Street, New York.

**NOTE.**—The manufacturers of Creme Tokalon, Roseated, have such unbounded confidence in their particular brand that they offer to forfeit \$200.00 to any charitable institution if it can be shown that it will not banish every complexion blemish and give most astonishing new beauty to wrinkled, careworn, aged women in three days' time in many instances. It can be obtained absolutely fresh and guaranteed pure from Colley Drug Co., W. H. Wright & Sons Co., or most any good druggist or department store in this city.—Advertisement.

Illness of Bright's disease, Mrs. Blue was born in Marshall, Mo., Nov. 28, 1859, and came to Ogden a number of years ago. Her mother, one daughter, Mrs. Irene Slocum, and two grand-children survive. Remains are at Lindquist's mortuary pending funeral arrangements.

**UTAH CONSTRUCTION AWARDED LARGE CONTRACT**

W. H. Wattis, president and general manager of the Utah Construction company, today announced that his company has been awarded the contract for building the twenty miles of railroad through the mountains between San Diego, Cal., and the Imperial valley, connecting the Southern Pacific with the San Diego and East-ern.

The work includes sixteen tunnels through the mountain range and the cost will exceed a million dollars.
